

Crunchbase is the leading platform for professionals to discover innovative companies, connect with the people behind them, and pursue new opportunities. Over 50 million professionals— including entrepreneurs, investors, market researchers, and salespeople—trust Crunchbase to inform their business decisions. And, companies all over the world rely on Crunchbase to power their applications, making over a billion calls to our API each year.

## Our Mission

Democratize the way innovators access opportunity.

## Our Vision

We believe that a more diverse group of problem solvers will solve a more diverse set of problems. We want to democratize access to opportunities so that people and companies with different perspectives can accelerate innovation for a better future.

## Our Products

**Crunchbase Pro:** For individuals and small teams who want to access Crunchbase data through our web interface, Crunchbase Pro empowers you to intelligently search and target the right deals.

**Crunchbase Enterprise:** For companies that want to add Crunchbase data into their existing systems, Crunchbase Enterprise provides customized integrations into existing CRMs and databases.

**Crunchbase for Applications:** For product teams that want to bring Crunchbase data to their customers, Crunchbase for Applications offers a seamless and flexible integration into their product.
